

### **49er RV Village**

The Mavericks will have an outing at the 49er RV Village May 23 - 28, 2010. Jack and Jane Stanley will be the Wagonmasters with John and Marlo May as Co-Wagonmaster. This outing was originally planned to be at Jackson Rancheria but issues arose that made that not possible. This RV Park is in the same general area and we will post more information about the area and things to do there when the registration forms are ready.

We are looking forward to this outing as it will be our first combined outing with another club. The Wranglers will hold an outing with us during this event.
